

# Save the ~~Whales~~ ASL FUND

Save the whales, save the cheerleader, save the world, but most of all save the ASL Fund! Many of one may be wondering, "What is the ASL Fund?" Well, I'll tell you. ASL stands for American Sign Language, and we all know what a fund is. By now surely you're asking yourself, "What can I do to help?" It's very simple, just like AA. We are in desperate need of your support. In short we need money, our funds will not last the rest of this year. There are several ways to make donations.

Personal contributions, group contributions, and The Green Can. We'd like to have group contributions as an on going committment, and the Green Can is much like the Pink Can for literature only it's green and for the ASL Fund. Start a green can in your home group. Make checks payable to ASL Fund, POBox 131831, Roseville, MN, 55113-0020. You can contact me at Charles ~~XXXXXXXXXXXXXXXXXXXX~~ with questions and concerns.
