

Web Servant Report for Tuesday, 15 January, 2008

Web Site activity since 18 December, 2007

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- I created the page for the outreach committee to maintain when they have visited a group
- I didn't get a new usage report built for everyone to see, but I did extract the numbers, which are on the back of this report.
- And, I still have yet to update the Night Owl site with the workshop content.
- I have had another member of a fellowship express interest in helping with the website. We have yet had the opportunity to connect, but this is a good development.
-
- There are 571 regular weekly meetings in the area served by this local service office.

Statistics for the Month of December 2007

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- Usage for the year is up overall for the third straight year. I hope this is due to the continuous improvements that we have attempted over that period.
- Our primary web address is: www.aastpaul.org also reachable at aastpaul.org without the www

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

If you know anyone in the fellowship who is a serious web developer that has PHP, MySQL and other web development skills, and is looking for a great service job, it would be helpful for them to contact me via email at: webservant@aastpaul.org.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory.

If you have any other questions, please contact the office, or email me directly at the address above.

Thanks for allowing me to be of service to you,
Jonathan
