Web Servant Report for Tuesday, 15 April, 2008

Web Site activity since 18 March, 2008

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- I have yet to build the new usage report built for everyone to see, but I did extract the numbers, which are on the back of this report.
- I continued work on redesigning the site database to improve the system for maintenance by the office staff.
- There are 574 regular weekly meetings in the area served by this local service office.

Statistics for the Month of March, 2008

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- Page statistics up from last month, and up from last year for the same period.
- Our primary web address is: www.aastpaul.org also reachable at aastpaul.org without the www

General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

If you know anyone in the fellowship who is a serious web developer that has PHP, MySQL and other web development skills, and is looking for a great service job, it would be helpful for them to contact me via email at: webservant@aastpaul.org.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory.

If you have any other questions, please contact the office, or email me directly at the address above.

Thanks for allowing me to be of service to you,
Jonathan
