

# Web Servant Report

Web Site activity since 16 December, 2008

---

In addition to the regular activities of maintaining the site (meeting updates, events, and other changes requested by the office) the following activities have occurred since the last report:

- I continued work on redesigning the site database to improve the system for maintenance by the office staff.
- There are 616 regular weekly meetings supported by 256 groups in the area served by this local service office.
- Last month the Intergroup Council approved the following change to the directory grouping. I am still researching how best to effect this change:

## Statistics for the Month of December, 2008

This is a recap of the interesting bits of the web site usage statistics, which are on the back of this report.

- Page counts were down slightly for the month
- Our primary web address is: [www.aastpaul.org](http://www.aastpaul.org) also reachable at [aastpaul.org](http://aastpaul.org) without the www

## General

Please take this back to your meeting so that others can see how your Intergroup is serving the AA community through the web site.

Just a reminder: If your group is having a special event with AA content, like a group anniversary potluck meeting with a speaker, you may forward the flyer to me to be posted in the events directory.

If you have any other questions, please contact the office, or email me directly at the address above.

Thanks for allowing me to be of service to you,  
Jonathan
